

Vision & Learning Project Referral Form

For a comprehensive eye exam by a Doctor of Optometry (and glasses if needed).

Student Name: _____ Date of Birth: _____

School: _____ Date: _____

Reason for referral: _____

Your Name: _____ Title: _____

School Nurse Information

Student Eligibility:

- Meets vision referral criteria (i.e., failed school vision screening)
- Family has expressed a concern accessing eye exam
- Eligible for free or reduced lunch
- No vision insurance
- Not eligible for Kids Connection (Medicaid)
- School nurse and/or classroom teacher identify lack of remediation

School Nurse Instructions:

1. Complete the form above
2. Return the pink copy of this form to NFCV via fax or mail, email or complete the online form (see information at bottom of page). **Form must be returned in order for the optometrist to be reimbursed.**
3. Give the Vision & Learning voucher and list of participating providers to the family. Help them make an appointment if necessary.
4. Confirm location, date and time with the family.
5. Verify with the family that the child kept the appointment, and that appropriate treatment was received.

*Services covered include a comprehensive vision exam,
frames and lenses if needed.
Eyewear will follow Medicaid guidelines.*

**Return form to the
Nebraska Foundation for Children's Vision**

- **Mail:** 1633 Normandy Court, Ste. A, Lincoln, NE 68512
